Are there any medical or psychological conditions which require special attention that we should know about e.g. diabetes, asthma, allergy to bee-sting, other allergies including food, hearing or sight impairment, ADHD, behaviour issues, formal counselling situations, or any other? Please list below:

I understand that I am enrolling my child into a children's Christian ministry program. Although the leaders will take all reasonable care to ensure both the comfort and safety of my child, there is still a risk that an accident may occur. I understand that children in all programs must be signed into their program on each occasion. Crèche children must be signed out at the conclusion of the service. Kids Church and the Junior Youth Bible Study will return to the main gathering during the final song.
